

Living in harmony with animals!

CIRCUSES ARE NO FUN FOR ANIMALS.!

Stop the abuse of animals in the entertainment industry.

You can help stop the suffering of animals abused in the name of "entertainment."

The use of non-human animals in circuses raises 3 serious moral questions.

1. The welfare of animals
2. The value of animals
3. Understanding concerning animals

Animals in circuses live a life of restriction, cages, chains and constant transportation. All for a few minutes performing in the ring in the name of 'entertainment'.

How you can help:

1. Boycott circuses with performing animals. Only support those circuses that have all human acts.
2. Encourage your friends and family to avoid animal circuses too.
3. If an animal circus comes to your area ask shopkeepers not to put up posters for it.
4. Write to local newspapers asking people to boycott the circus.
5. Organize a protest.

We ask everyone to join the protests against cruelty for the sake of entertainment and profit and to let their civilization and ethical conscience guide them to boycott circuses with performing animals.
